The National League is delighted to have secured the services of Mr Lars Fjarrstad, senior LEN Delegate at the National League Division One weekend at Millfield on the 3rd and 4th December 2005.

Not only will this weekend see the culmination of a very exciting season but we will also have the opportunity to hear from Mr Lars Fjarrstad on the application of water polo rules in LEN. He will also be on hand to lend his considerable experience and “know how” to the referees who attend.

He will be addressing an open meeting at Millfield School Swimming Pool as shown below:

12.30 – 2.00 Mr Fjarrstad to address attendant referees and coaches on the current application of rules in LEN and answer questions.

2-3 Mr Fjarrstad to have the referees’ pre event meeting.

All coaches and referees are welcome whether they are actively participating or not.

If there was a weekend to attend the National League, this must be it for all devotees of the sport.

The division is still open with Lancaster and Bristol playing the final game for the championship.

There is a great opportunity to hear from a central character in the sport in Europe.
